I met Pat in 2004 when I began working at Heritage Bank. I learned we were actually neighbors on Hillsdale Dr. At the time, Pat and I had a lot in common which bonded us immediately. I know Pat is rejoicing being with her Savior and family she has missed so much but oh how we will miss you on this side. I pray for Seth and his family during the coming days. Pat, your friendship will never be forgotten, I will truly miss your sweet spirit dear friend. Elaine Buntyn
